SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Dear Sir:

In connection with the above-identified application, Applicants hereby attach U.S. Patent Office Form PTO-1449, including copies of the references listed thereon, together with the English language abstracts. For the convenience of the Examiner, we have also enclosed the US counterparts to Japanese reference numbers 7-72832 and 1-124827. These references were cited in a Japanese Office Action dated July 30, 2002 of the underlying Japanese patent application. Enclosed is the Japanese Office Action, together with an English translation of the relevant portions thereof. The claims in the present application are believed to be patentably distinguishable over these references.

This information disclosure statement is being made pursuant to the duty of disclosure imposed by law and formulated in 37 CFR 1.56(a). No representation is made that the information thus disclosed in fact constitutes prior art or that it is the closest prior art, inasmuch as 37 CFR 1.56 (a) relies on a materiality concept which depends on subjectivity.

In compliance with the requirements of 37 C.F.R. §1.98(a)(3), as a concise statement of relevance, as it is presently understood by the individual designated in 35 U.S.C. §1.56(c)
